- 03 LEADER**  
**No more false excuses** Does the HSE/DRC guidance on health, safety and disability go far enough?
- 04 NEWS**  
 ... Scottish smoking ban improves health ... revised PEP guidance ... lack of skills main cause of bullying ... 241 workers killed – provisional figures from HSC ... abolish health requirements says DRC – health standards for nursing, teaching and social work professions place unjustified barriers on disabled people ... waking up to sleep – lack of awareness of the problems caused by declining quantity and quality of sleep ... CBT certificate results – first group of OH professionals complete course in cognitive behavioural therapy ... shoe company dismisses charge – manufacturer of Crocs defends shoes ... OHPS face public sector ill-health challenge ... get back to work – report urging GPs and employers to look beyond physical symptoms in their management of MSDs
- 10 LEGAL NEWS**  
 ... qualifications bodies must make reasonable adjustments – *Project Management Institute v Ms S Latif* ... fair dismissal – *McAdie v Royal Bank of Scotland* ... chief inspector with dyslexia covered under DDA – *Paterson v the Commissioner of Police of the Metropolis* ... damages for woman on extended sick leave – *GAB Robins (UK) Limited v Triggs*
- 13 FEATURE**  
**Corporate manslaughter**  
 The *Corporate Manslaughter and Corporate Homicide Act 2007* has finally made it to the statute book and comes into force on 6 April 2008. John Ballard examines the main provisions.
- 19 FEATURE**  
**Case conferences**  
 Occupational physician Tony Steele-Perkins offers some practical guidance to OH professionals on the use of case conferences in the management of long-term or recurrent sickness absence cases.
- 22 SURVEY**  
**Welcome to the working week**  
 Part 2 of our survey of OH professionals focuses on the workplace environment, including hours of work and job responsibilities. Paul Suff analyses the findings.
- 29 FEATURE**  
**Accessing health information**  
 In the first of a two-part examination of the use by employers of pre-employment screening, John Ballard asks whether the US legal model that prohibits health enquiries until the conditional job offer stage is relevant for the UK.
- 34 DILEMMA**  
**Safer needles**  
 Do we need legislation mandating safer needle devices in healthcare. Julian Topping from NHS Employers and MEP Stephen Hughes put their points of view.
- 36 EXPERT WITNESS**  
**A promise is a promise ...**  
 Employment tribunal cases often centre on an alleged breach of the employment contract, an area of the law founded in the decisions of the court rather than codified in statutes. Diana Kloss explains.
- 38 RESEARCH DIGEST**  
 ... can DNA profiling reveal secrets of workplace exposure? ... workplace violence universal and rising ... printers pose hazard ... no lifting!
- 40 RESEARCH PLUS**  
 Our compendium of published evidence on occupational health
- 42 BOOKSHELF & DIARY**  
 Handbook of occupational health
- 43 BRIEFING**  
 ... your need-to-know guide to this issue
