

## Get involved at Workplace Health 2016 - present a five-minute briefing session and receive a £50 M&S voucher and benefit from additional CPD credits!

This is your chance to take five minutes to present a new idea that has helped improve health in your workplace. Challenge or celebrate what you've been doing in OH!

Each year we select the most interesting suggestions for presentations - and delegates who make a presentation will receive a £50 M&S gift voucher as a thank you for their participation. Presentations take place at the end of the first day from 16.30- 17.30 and are an exciting and interactive way to communicate best practice.

Participants will be able to claim additional CPD for the time taken to prepare their presentation. Please do call us on 0208 344 2328 if you would like any further information.

Some great previous presentations have included:

1. How to communicate the benefits of an OH service
2. OH and podiatry
3. MSD challenges in the workplace
4. Introducing 'wellness' initiatives
5. Managing the ageing workforce

### Who can present a session?

We encourage ALL delegates – whether you are an OH nurse, physician, case manager, psychologist or occupational hygienist, working in OH, H&S, HR or the law, from the UK or overseas – to suggest a five-minute presentation. The session is designed for everyone, whether you're a seasoned speaker, or would like the opportunity to present at a conference for the first time.

This was one of the highlights of the conference last year, so please take the opportunity to participate this year!

### What do you need to do?

First of all, please send in a title for your presentation, and a brief description of what you would like to talk about (just one or two sentences will be perfect). Please email us at [info@atworkpartnership.co.uk](mailto:info@atworkpartnership.co.uk)

We'll select the presentations we think will work together best (avoiding any duplication of topics), and we will be in touch to let you know if your presentation has been chosen.

If your presentation is chosen, we will notify you and you will need to prepare 20 easy-to-read slides that will be set on auto-roll, 15 seconds per slide. The key is to make them visual but keep them simple. Each slide just needs a brief amount of information.

To avoid disappointment please let us know as soon as you can if you'd like to take part, with your suggested title.

When you make your booking for Workplace Health 2016, do let us know if you are interested in making a 5 minute presentation too!
