- 15 FEATURE  
**An ageing workforce**  
OH nurse Karen Coomer believes that most organisations are not fully prepared for the consequences of an ageing workforce. She argues that an age-managed response, based on the Work Ability Index, would be productive, and should be part of a wider organisational approach to health in the workplace.
- 19 FEATURE  
**A holistic approach to stress and wellbeing at work: part 4**  
Can an occupational support service help reduce stress and cut stress-related sickness absence? In the fourth paper in the series, Deborah Cowap and Andy Smith reveal the results of the introduction of such a service at a social care provider in Bristol.
- 22 FEATURE  
**Cancer and work**  
Supporting individuals remaining in, or returning to, employment is a key feature of the National Cancer Survivorship Initiative. Sharon Tate looks at the challenges facing individuals diagnosed with cancer and how employers and OH professionals can help them continue to be productive at work.
- 27 FEATURE  
**Skin exposure**  
Helen Taylor presents a practical guide to the surveillance and management of occupational skin disease and the prevention of workplace skin exposure.
- 32 DILEMMA  
**OH nurses – poorly represented?**  
Helen Kirk, a specialist OH nurse and member of the RCN public health forum, and Christina Butterworth, president of the Association of Occupational Health Nurse Practitioners debate whether the RCN is doing enough to support OH nurses.
- 34 EXPERT WITNESS  
**Mental capacity and fitness to plead**  
When is an individual too ill to attend a disciplinary or court hearing? Diana Kloss examines the issue.
- 36 FEATURE  
**Road to accreditation**  
Securing SEQOHS accreditation can be a long and complex journey. Anna Cosgrove is one the first seven OH services to achieve accreditation. This is her story.
- 38 RESEARCH DIGEST  
Matthew effect ... interpersonal skills ... health promotion
- 40 RESEARCH PLUS  
Our compendium of published evidence on occupational health
- 43 BRIEFING  
... your need-to-know guide to this issue
