Personal Learning Statement

Following my attendance at the above event, my key learning points are as follows:

Ensuring that learning are implemented in the workplace. Main learning is that to only keep information that is required and to be able to justify why you have kept something.

The implications for my practice are as follows:

To discuss with legal department and create training pack of basic awareness with main changes that need to be aware of and implanted in work.

Time spent reflecting on the course content and learning objectives*

2 hour(s)

* You are accountable for recording your own learning time.
