A one-day refresher training course in  
**Hand-Arm Vibration Syndrome (HAVS)**  
from The At Work Partnership

## Hand-Arm Vibration Syndrome (HAVS) refresher training

**Wednesday 10 November 2021 – A Virtual Event**

This refresher course provides an in-depth update on the requirements for health surveillance for a workforce exposed to hand-transmitted vibration, and in the diagnosis and management of an individual with HAVS.

**Course tutor: Dr Roger Cooke, consultant in occupational medicine, and a leading expert in hand-arm vibration syndrome.**

**CPD:**  
Self-certification schemes:  
5½ hours

- > Enhance your knowledge and skills
- > Gain in-depth guidance on the latest developments and on legal issues
- > Put theory into practice with real-life case studies
- > Receive printed documentation for future reference

**SPECIAL OFFER**  
Book and pay by 30.9.21 and save £40 + VAT!

Quality conferences at value for money prices

All delegates will receive a free copy of *Hand-arm vibration syndrome: a guide for occupational health practitioners* by Dr Roger Cooke.

13.30 Case management of employees with HAVS

Including an opportunity to submit examples of your own cases

15.00 Tea

15.20 Further discussion of difficult cases

16.20 End of day

## Who should attend?

This training is designed for occupational health professionals who have attended the Faculty of Occupational Medicine approved two-day HAVS training course.

In order to undertake statutory tier 3 or tier 4 HAVS assessments, all OH professionals need to have an OH qualification, so this is a pre-requisite for this refresher training.

## Delegates at our last event said:

*“Superb day! Extremely enjoyable session... entirely relevant, pragmatic and very useful. Excellent”* Dr John Crosbie, OH Physican, Bellevue Group Practice

*“An excellent seminar and very thought provoking. This has aided reflection and future practice. Dr Cooke covered all content perfectly”* Michele Lake, OHA, Bangor University

*“Relevant, informative, well paced for nurses and doctors alike. Would recommend”* Marcia Bowman, Clinical Nurse Manager, University Hospitals of Derby and Burton NHS Foundation Trust

*“Great update – exactly what was needed and expected”* Amy Davies, OHA, Birmingham City Council

## About our expert tutor

**Dr Roger Cooke** is a consultant in occupational medicine, and honorary senior lecturer at the Institute of Occupational and Environmental Medicine at the University of Birmingham. His experience and interest in vibration-related disease extends over 40 years, including clinical practice, teaching, advising industry and specialist groups, writing on the subject and acting as expert witness in legal proceedings. He is the author of the book, *Hand–arm vibration syndrome: a guide for occupational health practitioners*, published by The At Work Partnership in 2020.

## About The At Work Partnership

Dedicated to bringing high quality, good value conferences and courses to OH and allied health professionals, The At Work Partnership ensures that each conference is of the highest quality, and provides you with useful documentation, highlighting resources for additional learning. All delegates receive a Certificate of Attendance and can gain additional CPD by participating in further learning after the conference/course, via the At Work Partnership's CPD scheme.

# Hand–Arm Vibration Syndrome (HAVS) refresher training

## How will attending this training benefit you?

### • Enhance your knowledge and skills

This one day refresher course is designed to enhance your skills to enable you to appropriately manage those identified as having symptoms associated with vibration exposure.

Based on the outcome of health surveillance, it will enable you to:

- Minimise risk of progression
- Maximise chance of improvement
- Reduce financial/legal implications

### • Gain up-to-date and in-depth guidance on the following areas:

- Understand the latest guidance and recent case law
- HAVS surveillance and COVID-19 – and the use of remote health surveillance
- Diagnostic criteria
- Case management

### • Put theory into practice with real-life case studies

As well as in-depth case study examples provided as part of the training, you can submit examples of your own cases for discussion. These are worked into the afternoon as anonymised case studies, enabling you to learn from real examples and share best practice.

Delegates who submit their own cases can gain tailored expert feedback.

### • Receive detailed printed documentation

and a free copy of Dr Roger Cooke's new book *Hand–arm vibration syndrome: a guide for occupational health practitioners* (RRP £42.50).

## Administration

**Format:** The event will be held on Zoom. Details will be sent in your administration details.

**Bookings:** Places can be booked by post, telephone or e-mail. In cases where your organisation's paperwork may take a couple of weeks to reach us, please telephone us on 0208 344 2328 to reserve a no-obligation provisional place.

**Conference administration details:** Please contact us if you do not receive written confirmation of your booking within two weeks of making the reservation. Zoom links will be sent to paid delegates approximately one week before the event. If you have not received these 3 days before the event, please telephone us on 0208 344 2328, or e-mail [conferences@atworkpartnership.co.uk](mailto:conferences@atworkpartnership.co.uk)

**Zoom:** If necessary, we can arrange rental of laptop/iPad for a small additional fee.

**Cancellation policy:** For cancellations received in writing 14 days before the event, we will provide a refund, less a 25% administration fee to cover administration costs. If the cancellation is received within 14 days of the event, no refund will be made, but we will accept an alternative delegate from your organisation. Refunds are not available to delegates who fail to attend after confirming a booking.

**Printed documentation:** Printed documentation will be posted to arrive with paid delegates 3 working days before the event. Please provide a home address/preferred address overleaf for receipt of this documentation.

**Special requirements:** If you have any special needs, please let us know in advance and we will be delighted to try and help.
